Maher:

I might be available on December 4, 2017 only.

I sent an email asking who will pay for Homesite and additional surveys for the [Ex. 6 Personal Privacy (PP)] have not received a response, so I haven't moved forward on it.

Good morning All,

Steve, thank you for the update and good luck with the NorCal Fire project.

Ken, I'm looking forward to working with you. How's your availability during the first week of December (December 4<sup>th</sup>) for a conference call to update you on project progress and path forward?

How about you, Vivian? Are you available for a call during the week of December 4<sup>th</sup>? I was wondering if you heard anything on [Ex. 6 Personal Privacy (PP)] new homesite lease application and access in general.

Thank you,  
Maher

Maher - I'm busy on-scene on the NorCal Fire cleanup for the foreseeable future - my availability is limited till next month.

On another note my colleague Ken Rhame is going to be taking over my lead role on this project effective now. He is also on the NorCal Fire Response work currently but may have some availability in early Dec. I will be available to Ken, Vivian and you in support role as needed as work proceeds.

Good afternoon Steve and Vivian,  
I hope you're both doing well. I was wondering if you have some availability this week for a call to catch up on Section 18 access. Please keep me posted if you have a preference for a day and time.

Thank you,  
Maher
